

# BELOVED EXILE

King Arthur is dead. Surrounded by traitors and usurpers, Guinevere must defend the empire she struggled so desperately to help forge. Aided by the loyalty of Bedivere, Gareth, Lancelot, and others from Arthurs reign, she works toward settling her uneasy nation. But when faced with unthinkable treachery, Guinevere is swept into a life she never understood, driven to the depths of servitude to a bold Saxon who is unaware of her true identity. Much like Arthur, he is an idyllic dreamer with a magnificent mind. With him, she discovers more of humanity than she ever imagined! And we see Guinevere for all she is: brilliant leader, shrewd schemer, compassionate ruler, heartless tyrant, lover, warrior, slave and always, always a Queen.
