

## A Wasteland of Strangers

Pronzini sets his tale in the close knit community of Pomo - a Lyncheseque American town of seemingly friendly neighbours who hide a seething mass of jealousy and violent anger. A town where simmering rage and resentment is about to boil over ...Into this explosive situation wanders hulking, brooding stranger John Faith. Instantly distrusted by most of Pomos inhabitants, Faith is soon the number one suspect in the murder of local siren Storm Carey. With a host of memorable suspects, each given their own first person narration, Pronzini has produced an unputdownable and taut thriller, full of twists and surprises.
