

# The Artists Guide to Drawing Manga

Manga is one of the most popular art genres around. Aspiring artists always want a fresh array of reference artwork to try out for themselves or simply give them inspiration. This new book, by master-manga artist Ben Krefta, features exciting new characters and step-by-step projects, including the elements that give manga its distinctive style from expressions and features to clothing and colouring. This book celebrates the originality and diversity now evident in the many different manga styles, and shows you how to incorporate them, whether you are creating a medieval warrior, a Japanese maid, a robot or Pokemon-type characters.

Aspiring artist? Love anime and manga? Ben Krefta teaches how to draw this exciting style for a new generation of fan.
