His popular books include Pocket Guide to Coca-Cola, Summers Guide to Coca-Cola, Soda Pop Memorabilia, Antique & Contemporary Advertising Memorabilia, and Value Guide to Gas Station Memorabilia. His books have become standard references in their fields. REVIEW: Aside from being all color and very beautiful to look at, this book allows collectors to get estimates for items they couldn't find anywhere else. Just because certain items have been produced in the past 30 years, it doesn't mean that some of them are not extremely collectible, as Summers demonstrates. Any serious Coca-Cola collector needs to add this book to their library to be able to round out their references. -John P. Williams
