

Blur

With echoes of *Sunset Boulevard*, Michelle Berry's *Blur* brings the warped world of Hollywood stardom into lurid focus. Tabloid reporter Bruce Dermott has been waiting seven long years for his moment in the sun when he strikes pay dirt in Emma Fine. Emma, a former Hollywood starlet, has been out of the spotlight for years after her lover was found dead in her swimming pool. As Bruce digs deeper he discovers lives twisted and misshapen by jealousy, obsession, and narcissism, lives we crave to hear about today more than ever.

Definition of blur - make or become unclear or less distinct. Blur definition is - a smear or stain that obscures. How to use blur in a sentence.
