

Mr Maybe

Number one best seller Jane Green - author of *The Other Woman* and *Spellbound* - explores the hectic life of a single girl with a difficult choice to make in her hilarious novel *Mr. Maybe*. At twenty-seven, Libby thinks there's a lot to be said for a rich husband. So when Nick comes along - lovely, funny, handsome Nick, who has no money whatsoever, lives in a grotty bedsit and thinks the perfect night out consists of the pub and his mates - she decides he's only good for a fling. No strings attached. Investment banker Ed, on the other hand, could possibly be the answer. His house in Regents Park makes up for his hideous moustache and she can probably overlook his irritating habits, and anyway, he's crazy about her. But does Libby really know what she needs? Is she just in love with being loved? Or is she loving the lifestyle, rather than the man? Praise for Jane Green: Green writes with acerbic wit about the law of the dating jungle. *Sunday Express* There's no maybe about it: a righteously hilarious read. *Glamour* Bestselling author Jane Green has captured the imaginations of readers in the UK and the USA with her frank and funny approach to those day-to-day issues that affect women everywhere. Other titles also published by Penguin include *Jemima J.*, *Babyville*, *The Love Verb* (published as *Promises to Keep* in the USA), *The Patchwork Marriage* (*Another Piece of My Heart*), *Girl Friday* (*Dune Road*), *Life Swap* (*Swapping Lives*), *The Beach House*, *Second Chance*, *Straight Talking* and *Bookends*.
