

COILING PINE NEEDLE BASKETS SIMPLE AND FUN

This is a simple but fun booklet of instructions on beginning to coil your first pine needle basket. It is a great hobby and even could be a job for the family. Family projects are always fun and this one is made with free materials you can gather yourself or with the grandkids. I started my first baskets some years ago and am still venturing into new and better projects. It's a nature material and can be found most every yard or park. Give it a try and join the millions of other women and even men creating a lovely gift basket or something special for your friends. Includes how to begin the basket, how to gather the needles and where. How to soften the needles and how to store and dye them. I am including a dozen or more pictures to show you how to start and what your basket could look like after you finish. The holidays are coming so get started now. The needles are beginning to fall so get busy before it turns cold. Meet you are the web under COILING PINE NEEDLE BASKETS SIMPLE AND FUN.
