

Contemporary Quilt Art: An Introduction and Guide

In the 1970s young artists discovered quilts and began experimenting with contemporary styles. Today quilt art is a staple of art exhibits nationwide. This handsomely illustrated introduction provides a useful guide to the contemporary art of quilting for quilters and collectors alike. The book illustrates the various styles of quilt art, introduces both established and emerging artists, and discusses aspects of their art as well as the process of quilt making. The reader will learn where to find the work of the best artists, and how to work directly with them when commissioning a quilt. Kate Lenkowsky gives an overview of exhibition and marketing opportunities and lists art quilt organizations at the national, regional, and local levels. Collectors will find a guide to resources on the conservation of textiles and options for displaying quilts in the home and elsewhere. A wonderful gift for anyone interested in viewing and collecting contemporary American art quilts.
