

See Them Die (87th Precinct)

Kill me if you can. Local thug Pepe Mirandas open challenge to the police has pushed Julys heat to a boiling point. His latest crime elevated him to the top of the 87th Precincts most wanted list, and now his dare is earning him street cred as well. With the citys most dangerous gangs mobilized for an epic showdown, the fate of the precinct hangs in the balance. But Lieutenant Peter Byrnes and his detectives are ready for anything. They certainly arent going to let a challenge like that lie on the hands of someone like Miranda and not when a tip puts them hot on his trail. As the men of the 87th close in, they could be heading into a deadly gunfight that blows their city apart. Ed McBains See Them Die is a visceral journey into the heart of the 87th Precincts meanest streets, a gritty, adrenaline-fueled freight train that hurtles toward its explosive conclusion.
