

The Awkward Age (Everymans Library Classics & Contemporary Classics)

Henry James had arrived at such mastery of the forms and uses of fiction by the time he published *The Awkward Age* in 1899 that this story of a young girl introduced into a casually corrupt circle of sophisticates is at once a universal drama of innocence confronting evil, a detailed examination of a social order, and a stunning picture of a civilization in crisis. On the verge of what was to be his greatest period of creativity, James produced, in *The Awkward Age*, one of the finest, most rounded, and, in some ways, most intimate and revealing of his long string of masterpieces. Introduction by Cynthia Ozick (Book Jacket Status: Jacketed)

The finest editions available of the world's greatest classics from Homer to Achebe printed on a fine acid-free, cream-wove paper that will not discolour with age, include substantial introductions by major scholars and contemporary writers.
