

A Rush to Violence (Fifth Avenue)

STEPHEN KING ON CHRISTOPHER SMITH: Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural genius. Kirkus Editorial on A RUSH TO VIOLENCE: This crime thriller is a fast-paced and engaging read. ... The narrative kept me on the edge of my seat and I really couldn't predict what was going to happen next. ... The pace never flagged. ... The central characters of Camille, Sam, Emma, Marty and Jennifer are nuanced and very true-to-life. Although theirs is an unusual life lived at a hectic pace, I found myself developing real empathy for their plight and always felt that they were--despite their unusual life choices or circumstances--genuine, well-meaning and real people. The Miller clan and their acquaintances were exceptionally well drawn, alternating between petty pragmatism, shameless snobbery, greed and a perverse noblesse oblige. I particularly enjoyed the humorous and biting portrayals of Camille's siblings...top-notch dialogue and quirky characterizations. --Kirkus Editorial From the #1 International Best-selling author of Fifth Avenue comes Smith's best thriller yet! An overall Top 100 best-seller! THE FIFTH AVENUE SERIES in order: Fifth Avenue Running of the Bulls From Manhattan with Love From Manhattan with Revenge A Rush to Violence Park Avenue Description: Sixteen years ago, Camille Miller left behind her life as an assassin in order to raise her daughter Emma. Spellmans teenaged daughter Beth, find themselves in a race to the finish. Nobodys goals are what they appear to be. Twists abound. And not one single person, for one single moment, is safe.PRAISE FOR CHRISTOPHER SMITH:***JIM ASHLEY ON FIFTH AVENUE AND RUNNING OF THE BULLS***Smith is this generations Master storyteller. If youre a fan of suspense thrillers and unbelievable twists and turns, you will quickly become a fan of Christopher Smith! He entices you to fall in love with his characters only to be caught totally off guard when their fate goes in a direction you never saw coming. He takes the styles of James Patterson and Steven King to a totally kicking level. I can honestly say that I spent way too many late night hours reading chapters because I could not put it down and couldnt wait to see what he would do next. Starting with Fifth Avenue, he builds such entertaining and deep characters that you know this cannot be the end but just the start to future stories interweaving these strong individuals. With Running of the Bulls, youre so caught in the action - that youre honestly rooting for the characters that would historically be the bad guys in other tales. Christopher seems to set the bar higher and higher for himself, and I cant wait for his upcoming releases in 2012. A definite must read for mystery, suspense, and thriller lovers!***PLANET KINDLE ON CHRISTOPHER SMITH***Fifth Avenue, the first novel by penned Christopher Smith, is a fantastic first effort and was the reason I was simply unable to put my Kindle down over this Christmas period. And I would go as far to say that it ranks as one of the best first novels Ive ever read.--PLANET KINDLEJOIN CHRISTOPHER ON FACEBOOK AND INTERACT WITH HIM: on.fb.me/FQ2MuT
