

He Drown She in the Sea: A Novel

Set on a fictional Caribbean island during World War II and in modern-day Vancouver, *He Drown She in the Sea* is the spellbinding story of two childhood friends reunited late in life. As children, Rose Sangha and her housekeepers son, Harry, are inseparable, blissfully unaware of the subtleties of class hierarchy until the night Harry is banished from the Sangha home. When Harry and Rose meet again in Canada years later, the gulf separating them is not so apparent. They have a life-affirming affair and Rose dares to reroute their destinies.
