

Paw Prints in Oman: Dogs, Mogs and Me (Volume 1)

****New York Times bestseller**** When Charlottes husband is offered a job in Oman, he persuades her to leave comfortable, rural England and join him. But playing tennis, avoiding coffee mornings and being a perfect wife and mother in the Middle East is not enough. Charlotte convinces a local veterinary clinic to employ her and throws herself into assisting the vets, overcoming her fear of birds and rehoming hundreds of stray cats and dogs. Cyclones, earthquakes, transvestites, unwanted paramours, cultural differences, tears and laughter follow as seven years flash by. Will Charlotte stay, or gather up the motley crew of pets she has collected and head for home?
