

I Hate My Job, It Sucks

??? From the author of the multi award nominated BOWLING BALL and the black-hearted Three Realistic Holes trilogy, comes something a little different...
??? About the book Seen through the eyes of an unnamed narrator who says little but observes everything, I HATE MY JOB, IT SUCKS is a black-humoured account of white-collar slavery in a modern day office environment where backstabbing is rife, shit sprints downhill and inconsiderate co-workers walk away casually from the jammed photocopier. **DISCLAIMER:** this book is not about you or the job and colleagues you hate. No, it really isnt. At just under 70,000 words, I HATE MY JOB, IT SUCKS is a full-length novel. What some early readers have said David Brent crossed with Dilbert crossed with De Bono and Dale Carnegie! A scarily realistic portrayal of working life in an office ... Escobar Walker has moved into mainstream fiction with his latest novel, and I absolutely love it! I normally have to shower twice after reading an Escobar Walker novel ... until now. Finally ... an Escobar Walker story that isnt deep fat fried!
