

Garth Ennis Streets Of Glory Preview (Avatar Press)

Ennis brings back the Western at Avatar! This special preview book gives you several pages of the first issue to read, special designs by Mike Wolfer, and a new essay from Garth Ennis himself on why he wanted to write a Western. Garth Ennis is ready to re-define the classic genre of the Western with this brutal tale of 1899. Joe Dunn is one of the last bastions of the old guard drifters, those men that could be trusted to defend the common man with integrity, honor, and if need be, hot steel of death. Dunn has been away from Montana for more than 15 years, lost to all who knew him. Now he comes riding into a small town, Dunn still representing the best of the past, an era quickly fading. The way things are done is changing, the future is coming. The bodies will start to pile up while the streets run red with glorious blood. Ennis teams with Mike Wolfer (Escape of the Living Dead) for this epic full-color series that promises to thrill every fan of Garth's powerful story-telling and brutal violence!
