

IMAGINE CREATE EXPLORE Volume 1: Mixed Media Jewelry

You love to be adorned in handmade beautiful mixed media jewelry. The 15 projects in this book chronicle an affair with the shiny, the delicate, the found object renewed, and will whet your craving to mix medias and impress your own artistic statement on bling to wear or give as a gift. Wherever you are on your journey to create using jewelers grade resin, ephemera, and bezels designed by master metalsmith, artist Susan Lenart Kazmer, the rings, earrings, necklaces in this eBook will inspire you to head to your studio. The amazing works that fill Imagine Create Explore Volume 1: Mixed Media Jewelry were designed by 2011-2012 ICE Resin(r) Creative Team Members Cat Kerr, JoAnna Pierotti, Michael Jack Putman and Lesley Fisher, Andrea Ring, Tina Schiefer, Kathy Thompson, and Special Project Team Member Cindi Bisson. You'll delight in a sense of the whimsical, the secrets found in a garden, keeping the beauty of a walk on the beach near your heart, the depth of a night filled with starlight, and more. Techniques for adding color and texture to resin, layering objects in a bezel, cold joins, wire work are just a few of the ways to create mixed media jewelry that these talented artists will share with you.
