

La Colmena (Spanish Edition)

En el Madrid de la posguerra, un bullicioso enjambre humano se afana en comer caliente, esquivar el frío, saciar el deseo sexual, librarse de la tuberculosis, matar el tiempo..., ir tirando. Seguramente la obra más valiosa de Cela. Un testimonio fiel de la vida cotidiana en las calles, cafés y alcobas del Madrid de 1943, pero también una amarga crónica existencial.
