

## Lance Barnes, Post Nuke Dick

Gasp as gumshoe Lance Barnes snips the wrong wire on an ICBM and ends the world! Screech as he guiltily wanders the post-uke landscape with his one-legged secretary Peg! Thrill to the collected comic and a new text adventure! Read what Stan Lee called full of amazing originality and off-beat humor! Spend all your money on it! Includes the previously published mini series, as well as a brand new Lance illustrated short story by Lance creator (and X-Files scribe) Stefan Petrucha!
