

Ellens China Vol 2 Without Photos (Volume 2)

Ellens China Vol 2 continues exploring the daily life of the fictional character Ellen as an unofficial missionary to China, through letters, diary entries, and dialogue from December through Chinese New Year in February 2002. (This edition does not contain photos.) On the one hand, her students lavishly buy her birthday presents, and on the other they force her to throw them out of class. She learns the importance of not only giving sacrificially to God, but also joyfully. Sacrifice without joy, she learns, is to simply make God out as a beggar. She repents of this and renames her walking street by the joyful name of: The Upward Way. [Ellens China is a companion series to: Ellens Tears.]
