

## Anyone but Him

Sheila O'Flanagan's bestseller *ANYONE BUT HIM* is a touching and page-turning read about love, heartache and the unbreakable bond between sisters. Not to be missed by readers of Freya North and Veronica Henry. Andie and her sister Jin have never seen eye to eye. Andie doesn't envy Jin her marriage to a wealthy businessman, while Jin can't believe Andie's happy with her man-free existence (if only she knew!). But when their widowed mother Cora comes back from a Caribbean cruise with more than just a suntan, Andie and Jin are united in horror. Who is this gorgeous young man who's swept their mother off her feet? What the women really need is a friend to set the world to rights with - but can they be friends with each other?
