

## Evil Is Done: A Trish Maguire Mystery (Trish Maguire Mysteries)

Trish Maguire, secure in her job as a top corporate lawyer, has almost forgotten the harshness of her early career defending abused children. But when Sam Foundling, her first client, comes back into her life as an adult, she's forced to revisit those painful times. Now a brilliant sculptor, married to Trish's colleague Cecilia and expecting his first child, Sam seems to have gotten over the abuse he suffered as an adolescent. When Cecilia is found beaten to death in Sam's art studio, the police, including Trish's best friend Caroline, are sure that Sam is to blame. Trish, however, is not so quick to believe it. Is Sam merely a distraught husband, trying to hold it together for his newborn daughter, or was the horror of his past too much for him to overcome? Or did Cecilia's murder have something to do with the seemingly cursed London Arrow building, built on the mass grave of plague victims? In her eighth Trish Maguire mystery, Natasha Cooper shows all the emotional intelligence, strong characterization, and sense of place that have won her acclaim from both readers and critics.
