

# Hamlet Versus The Brain Sucking Vomiting Alien Invaders

Forget Rosencrantz and Guildenstern; theres a whole lot more going on behind the scenes in Elsinore than Tom Stoppard ever imagined. Brain sucking spewing aliens, blob shaped brains with a taste for rats, mutant armies, cat captains of leper guerrilla warriors, and even a zombie or two. Based on the infamous half quarto (Q1/2), fished out of Shakespeares privy half covered in The Bards final shit, extracting sense from this nonsense has long been a hobby of deranged scholars. Newly edited, with most of the shit left where Will wiped it, you can now decide for yourself whether it should have been left where it was found.
