

# Hex Signs: Tips, Tools, and Techniques for Learning the Craft (Heritage Crafts)

The traditional Pennsylvania Dutch folk practice of painting colorful, round geometric designs directly on barns was adapted to a detached disk format in the mid-twentieth century. Ivan E. Hoyt is one of the most celebrated artisans of hex sign painting, and in this detailed how-to book he shares his knowledge, providing information on tools, step-by-step instructions and photographs, design ideas, and painting tips. Projects include rosette, star, tulip, maple, and oak designs.
