

Richard Mathesons Kolchak Scripts

Gauntlet Press is publishing Richard Mathesons Kolchak telefilm screenplays -- The Night Stalker, The Night Strangler, and The Night Killers -- in a compilation entitled RICHARD MATHESONS THE KOLCHAK SCRIPTS. This will be the first time these screenplays will have seen print. The book will be edited by acclaimed Kolchak chronicler Mark Dawidziak (THE NIGHT STALKER COMPANION), and will include interviews with Matheson, William F. Nolan, Jeff Rice, and Dan Curtis. The book will also include never-before-released Kolchak artwork and photos. The Night Stalker and The Night Strangler were two Movies of the Week in 1972 and 1973, respectively, and led to the Kolchak television series (1974-1975). The Night Killers is an unproduced script written by Matheson and Nolan, whose rights are still retained by director/producer Dan Curtis.
