

Prep (Romanian Edition)

Despre Prep s-a spus ca este povestea unui Holden Caulfield in versiune feminina, romanul adolescentei descrise retrospectiv. Lee Fiora, o fata de paisprezece ani, este acceptata cu bursa la un liceu particular de prestigiu din statul Massachusetts. Sosirea la internatul scolii este doar inceputul trecerii lui Lee dintr-un spatiu familiar intr-o minisocietate - o varianta la scara a societatii americane - in care trebuie sa-si (re)invete rolul. Incapacitatea de a se integra in noul mediu o transforma intr-o fina observatoare a detaliilor, de la cele de ordin social (relatiile cu cei din jur, ierarhiile impuse de situatia financiara, rasa, aspectul fizic etc.), pina la detaliile ce tin de propria evolutie. Romanul captiveaza prin ritmul alert in care se desfasoara actiunea si cucereste prin umorul de situatie, de multe ori negru, lasindu-le cititorilor o senzatie de deja-vu, indiferent de extrema in care s-ar fi situat in timpul liceului - si trebuie sa fi fost o extrema, pentru ca la virsta aceea nu exista loc de altceva. O carte care ne face sa privim adolescenta cu mai mult interes si mai multa rabdare, si cu un profit urias: intelegerea. (Aurora Liiceanu)
