The Table of Contents is a working ToC, which means that you can click on any item in the contents and go straight to the beginning of that chapter. Naturally, there are lots of photographs and maps included in this Caribbean travel guide. The first half of this Caribbean guidebook is devoted to St Kitts, and the second half to Nevis. Each half of this St Kitts & Nevis book has a chapter containing useful information about each of these two islands, and includes a map of the relevant island that can be used as a navigational tool when exploring by car, bicycle or on foot. It contains general information, including banking and shopping hours, currency exchange rates, departure taxes, advice about acceptable attire in public places, entry requirements, wedding requirements, and a whole lot of other useful bits of information that will help to ensure that you have an enjoyable visit to this twin island nation and make the most of your time there. Separate chapters in this Caribbean travel book are devoted to the capitals of each island, Basseterre

and Charlestown, and both include detailed maps that can easily be used to find your way around each city, plus a description of the amenities to be found there. Both St Kitts & Nevis have many lovely beaches between them, several of which are shown in the photographs included in this Caribbean travel guide book. The beaches of St Kitts & Nevis are described in the relevant chapters, and general descriptions of the amenities at each beach are included. Water based activities are described in separate chapters, and include such activities as snorkeling, scuba diving, windsurfing and day sailing. Both St Kitts & Nevis boast excellent hiking, with lots of rugged coastline and mountains to explore. All of the land based activities, including hiking, horseback riding, mountain biking, 4X4 jeep tours and a host of other activities are described in the Land Based Activities chapters. This St Kitts & Nevis guide ebook includes information about eating out on the islands, whether it be formal black tie dining or casual barefoot dining, and everything in between. With this Caribbean guidebook you can get a good idea of what's available before you set foot on either island. This St Kitts & Nevis book includes information about getting around the islands. St Kitts is just 69 square miles/176 square kilometers in area and Nevis is even smaller at 36 square miles/93 square kilometers. Neither island has a very dense network of roads, so they are very easy to navigate. Visitors arriving from northern cities will find the roads almost deserted in comparison. Local visitor maps are good and places of interest are generally well signposted. Roam around St Kitts & Nevis is part of the roam around series of Caribbean guidebooks for Kindle and Kindle apps.
