

Torpedo Juice (Serge Storms series Book 7)

The drinks are on Sunshine State historian/spree killer Serge A. Storms, whos decided its high time he got married. So hes motoring down to the Florida Keys -- the ultimate end of the line -- in search of Ms. Right ...and finding his doped-up basket case bud Coleman along the way. But for Serge, getting hitched doesnt necessarily mean settling down -- not when South Florida is crawling with slimeballs, swindlers, unrepentant jerks, and annoying bystanders whose ranks need some serious thinning.
