

Stagestruck Vampires and Other Phantasms

Hugo, Nebula, and Tiptree awardwinning author Suzy McKee Charnas offers up her lush stories in this compelling retrospective story collection. In *Stagestruck Vampires*, the supernatural and the real intertwine seamlessly. A villainous maestro is redeemed by his lovely, apt pupil in *Beauty and the Opera* or *The Phantom Beast*. Inside the *Unicorn Tapestry*, a psychotherapist stalks a vampire. A dazzling performance of *Tosca* is marred by a shocking murder during *A Musical Interlude*. This collection features original work by Charnas: the mystical novelette, *Peregrines*, and two original essays. Also included is a collaborative story on vampire themes, *Advocates*, written with Chelsea Quinn Yarbro, author of the *Saint-Germain Chronicles*.
