

Shriek: An Afterword

An epic yet personal look at several decades of life, love, and death in the imaginary city of Ambergris--previously chronicled in Jeff VanderMeers acclaimed City of Saints & Madmen--Shriek: An Afterword relates the scandalous, heartbreaking, and horrifying secret history of two squabbling siblings and their confidantes, protectors, and enemies. Narrated with flamboyant intensity and under increasingly urgent conditions by ex-society figure Janice Shriek, this afterword presents a vivid gallery of characters and events, emphasizing the adventures of Janices brother Duncan, a historian obsessed with a doomed love affair and a secret that may kill or transform him; a war between rival publishing houses that will change Ambergris forever; and the gray caps, a marginalized people armed with advanced fungal technologies who have been waiting underground for their chance to mold the future of the city. Part academic treatise, part tell-all biography, after this introduction to the Family Shriek, youll never look at history in quite the same way again.

UPDATE: A thorough interview about Shriek posted on Clarkesworld, conducted by Neddal Ayad. Shriek: An Afterword first came to me while Shriek has 1344 ratings and 108 reviews. Brad said: We book lovers cant help speaking of authors as the next .
