

Superhero Suicide

With its inclusion of all things art, digital, travel, and observational, Superhero Suicide is a novella about loss and its ability to incite great change. A reflection of North American culture, this book explores the last of all superheroes, the God of little black flowers, a full-sized tree encased in resin, girls, Dizz, Parker, and Thelonius Monk, New Brunswick, San Francisco, sex, death, video, art work, telephones, a six inch drunken panda, and interdimensional transportation... its the something else youve been waiting to read.

- 1 min - Uploaded by CIDE SQUAD - Official Final Trailer (2016) DC Superhero Movie HD Suicide Squad Action Suicide Squad Poster Trailer. 2:25 ..
