

Swanns Way (Dover Thrift Editions)

Both a psychological self-portrait and a profound meditation upon the artistic process, Proust's seven-part masterpiece *In Search of Lost Time* changed the course of 20th-century literature. *Swann's Way*, the first volume, introduces the novel's major themes and the narrator, a sensitive man drawn in his youth to fashionable society. Its focus then shifts to Charles Swann, a wealthy connoisseur who moves in high-society circles in nineteenth-century Paris and a victim of an agonizing romance. This masterly evocation of French society and its rendering of a search for a transcendental reality independent of time, ranks as a landmark of world literature. Unabridged reprint of the classic 1922 edition.
