

The Adventurers Guide to Guatemala

In this Guide we take you from the ancient Maya strongholds of Huehuetenango and Xela to one of the most beautiful tourist destinations in the world, Panajachel on the ancient volcanic Lake Atitlan. We show you colorful native markets, the old Colonial capital city of Antigua and give you a sneak peek into the Caribbean side of Guatemala like you have never seen before.

Maya ruins, island cities, exploding volcanoes and the famous brilliantly unique Chicken Buses its all here in this Guide to Guatemala. Hundreds of photos are included so you can have a personal glimpse into this amazing country! Save money, save hassle. Take advantage of what we know! Content provided Written by internationally renowned authors Billy and Akasha Kaderli who retired at the age of 38 in 1991 and have decades of experience in financial independence, world travel and medical tourism. Our book is both practical and inspiring. After each city you will find necessary information such as Hotels, available transport, grocery stores, restaurants and entertainment, information on medical clinics, hospitals, pharmacies, dentists, visa services, Spanish schools, banks, immigration offices, entry and exit locations to Guatemala that we used, plus useful notes, emergency numbers, prices we paid and the Pros and Cons of each place as we view them. We list links to business and medical offices, hotels and national parks with hours of operation, telephone numbers, prices, and addresses. Dont speak Spanish? Survival Spanish phrases are in the back of the book to get you started on your Central America journey. Medical care For those of you who are curious about medical care in this country, we share with you our first hand experiences of a hospital event in Guatemala City, complete with pricing. Guatemala is an overlooked travel and retirement destination. If you have ever had

curiosity about this country or the Maya people, Get This Book!
