

The Good Ghouls Guide to Getting Even

The bestselling author of *Carpe Demon* takes a bite out of high school in this bloodsucking blast. Elizabeth Frasier is ticked off. Her junior year of high school was going just fine. But thanks to a bunch of jerkwad vampire jocks, she ended up undead, and with a thirst that a thousand Diet Cokes couldn't quench. Now she's out for blood—and revenge. And she knows exactly what to do...Elizabeth's read *Salem's Lot*. Separate the good vamps from the bad and wipe out the crowd that did her in. On top of that, she's got to figure out how to be mortal again—unless universities start accepting dead girls.
