

# Traveltage: Use Your Smartphone and the Fulfillment by Amazon (FBA) Program to Make Money, Travel, and Create the Life You Want!

Would you like to travel and run your business wherever you go? You can! Not only that, you can pay for most or all of your expenses, often making your travel essentially free! In Traveltage, I will show you how to use Fulfillment by Amazon (FBA) and your smartphone to travel, make money, and live a great lifestyle. Through trial and error and solving problems I encountered running my FBA business while traveling, I wrote the book I wish I had. Now you can benefit from what I've learned. Here's what you'll learn: How a U.S. citizen can travel internationally for 11 months of the year and legally pay no taxes. Minimalistic business principles to allow you to survive and thrive wherever you find yourself. Specific products to run your FBA business entirely from the road. Sources of free boxes and packing materials you can easily obtain while traveling. Software and applications to simplify bookkeeping, accounting, and receipt tracking to keep your FBA business running smoothly. Specific hardware and software recommendations for complete self-sufficiency running your FBA business anywhere. How to handle all the logistics of sourcing, packing, printing and shipping your merchandise to Amazon FBA warehouses while traveling. How to bootstrap your FBA business using none of your own money. How to print product labels for virtually free. How to leverage the FBA process flow for maximum efficiency and simplicity. And more! Get your copy today! <http://traveltage.com>
