The Lives of Three Women Intersect in a Place of Deep Wounds and Staggering Grace Against the backdrop of both present day and ancient Israel, Lynn Austin weaves together the stories of three women and the work of mercy in their lives. Separated by time and miles but linked through the eternal need to forgive, the stories merge into an example of inspirational fiction at its finest. At the outset of Wings of Refuge, Abigail MacLeods life is falling apart around her, and in order to find the time to put the pieces back together, she signs on for an archeological expedition outside of Jerusalem. Part lifelong dream and part pilgrimage, her journey is meant to offer her solace and respite from a crumbling marriage. Instead, it brings danger as she becomes linked with a murdered man who had sat beside her on the flight from the United States. Shaken to the core, Abigail finds comfort in the friendship of Dr. Hannah Rahov. Through the shared stories of Hannahs heartbreaking past and the related saga of a woman who lived long ago, Austin weaves a stirring tale of reconciliation and proclaims the safe haven God provides for those weathering the storms of life.
